Greetings and welcome to our second annual Spotlight on Broadway benefit concert!

First, thanks to all of you for coming out to support the San Francisco Lesbian/Gay Freedom Band, and to our wonderful cast: Donna Sachet, Leanne Borghesi, Jesse Barrett and David Korn for donating their time and incredible talent.

We all owe a huge thank you to the members of this Band. Many of them have been with the Band for years or even decades, and to be “with the Band” means much more than showing up once a week for rehearsal. This amazing volunteer-driven organization will celebrate its 40th year in 2018. This is an amazing milestone for any non-profit, but even moreso for one that has been consistently led and powered by volunteers dedicated to both an art and an ever-changing and developing cause.

Since its inception at the historic 1978 SF Pride Parade, this Band has provided the soundtrack of “the movement.” More than 30 times per year - and sometimes at the drop of a hat - the “Official Band of San Francisco” comes together to provide musical and spiritual support for important civic, cultural, educational, community events, and historic moments. One of my favorite recollections is of the email chatter on June 26, 2015 as the Band figured out how to add rallies and events surrounding the Supreme Court marriage equality ruling to an already jam-packed Pride weekend, exuberantly celebrating a moment many of us never expected to see.

Tonight, as we gather, we have a very different feeling about the direction of our nation than at that amazing moment two years ago. It is starkly apparent that the work this Band was created to do is not nearly complete.

As the opportunities to support the Band present themselves tonight, please consider all that the Band is, has been, and can be for our region, our community, and our movement. Please dig deep to help us build new bridges and lay down exciting new cuts on our shared soundtrack. Together, we can continue to make the impossible happen!

Pete Nowlen, Artistic Director
Formed in 1978, the San Francisco Lesbian/Gay Freedom Band (SFLGFB) was the first openly gay musical organization in the world, inspiring the formation of LGBTQ bands, choruses and performing arts groups around the globe.

On a local level, the SFLGFB is the “Official Band of San Francisco,” having been given that honor by two San Francisco mayors. The SFLGFB is open to performers of all sexual orientations, gender identities and musical ability. Founded by Jon Sims at the height of Anita Bryant’s anti-gay crusade, the band has made music to build understanding among communities for nearly four decades. The SFLGFB first appeared in public in the 1978 Pride Parade, an event re-created in the Oscar-winning film Milk.

The SFLGFB regularly performs at dozens of cultural and civic events each year, ranging from four presidential inaugurations to middle school pride events. Parades include many Pride events, the Chinese New Year Parade, and the Veterans’ Day Parade.

The Band’s annual Dance-Along Nutcracker®, a zany San Francisco holiday tradition, attracts media and builds bridges between genders, ages and sexual identities, while putting a smile on everyone’s face.
