San Francisco Gay Freedom Day Marching Band and Twirling Corps

In its four and a half years of existence, the Band, including the Twirling Corps, the Guard and the Tap Troupe, has become an integral part of the local musical scene. The Band's triumphant performances at Davies Symphony Hall in 1980 and 1981 broke new ground for gay musical groups. The Band has performed in parades and in concert throughout the Bay Area, Santa Cruz, and Los Angeles. The Band has performed alone and with other musical organizations including the Gay Men's Choruses of San Francisco and Los Angeles, the Los Angeles Great American Yankee Freedom Band, and the San Francisco Symphony under the baton of Edo de Waart. Locations of performances have ranged from the Castro Theater to Hollywood High School to Francis Coppola's wineries in Napa to the Board of Directors room in the World Headquarters of the Bank of America. The Band's performances in parades have been enjoyed in person by audiences numbering in the hundreds of thousands, and millions throughout the Orient have seen the Band in the televised Chinese New Year's Parade.

The San Francisco Tap Troupe has been attracting a growing audience since its beginnings almost three years ago when the tappers danced on stage as part of the Marching Band's concert, "A Night at the Movies." This evening the Troupe is doing several excerpts from their popular vaudeville show, "5, 6, 7, 8" which has been extended through New Year's Eve here at the Victoria Theater. To make reservations, call 863-7576 after 1:00 pm daily. Support your local tappers!

Lesene Van Antwerp, Conductor

Lesene Van Antwerp was born in 1948 in Mobile, Alabama where he received his early musical training in piano, oboe and composition. He received his Bachelor's Degree in Music from the University of Alabama and his Master's Degree in Music (composition) from the University of Southern California, where his Doctorate is in progress. Mr. Van Antwerp was the director of the Los Angeles Great American Yankee Freedom Band for two years, prior to his move to San Francisco in February, 1982. In addition to conducting the Gay Freedom Day Marching Band, Mr. Van Antwerp has played several different instruments in the band. He performs regularly on piano, oboe, and violin, and has written and composed several chamber and choral works, including a film score at the University of Southern California.
