

You & *The Night*
The Music

The San Francisco Band Foundation will celebrate its tenth year of community service through performing arts in June of 1987. The Foundation is a non-profit arts organization dedicated to the support of music and performing arts in San Francisco's lesbian and gay community.

Since its founding by Jon R. Sims, the San Francisco Gay Freedom Day Marching Band, Twirling Corps and Flag Corps have grown into a multi-talented performance organization called "The San Francisco Band Foundation." Together the Band, Twirlers, Flag Corps, the San Francisco Tap Troupe, City Swing and Vocal Minority perform over 75 times each year. These performing units have brought their talents to countless charitable organizations and events over the years.

While the emphasis of the organization is gay/lesbian in orientation, the Board of Directors and performing groups include many members of the non-gay community.

The Band Foundation's performing groups have appeared in Grace Cathedral, Louise M. Davies Symphony Hall, Moscone Center, the Mark Hopkins and Fairmont Hotels, Herbst and the Kabuki Theatres and the Galleria and GiftCenter Pavilion. The Band, Twirlers and Flag Corps are first prize winners at many parades around the Bay Area including the St. Patrick's Day Parade and the Chinese New Year's Parade. The Tap Troupe was the highlight of the Napa Symphony's opening of their pops season this year. City Swing is becoming a favorite San Francisco dance band and Vocal Minority will open their new show, "Coming Out," on August 8th during Gay Games Cultural Week.

As a member of the lesbian and Gay Bands of America, The San Francisco Band Foundation will be hosting 500 musicians and performers in August when they arrive in San Francisco for appearances in the opening and closing ceremonies of Gay Games II. These artists will also perform in a spectacular circus theme concert, "With The Greatest of Ease" at Davies Hall on August 12th. In September the San Francisco Tap Troupe, City Swing and the San Francisco Flag Corps will travel to Vancouver to appear at Expo '86.

With only one paid staff member, this enormous schedule is accomplished through the hard work of hundreds of volunteers and through the support of our community and people like you.
