SAN FRANCISCO
GAY MEN'S CHORUS

Donald W. Savoie
Executive Director
Names the "official band of the City of San Francisco" in honor of its 25th anniversary in 2003, the San Francisco Lesbian/Gay Freedom Band is the first openly gay music organization ever, inspiring the formation of lesbian and gay bands, choruses and performing troupes around the world. Founded in 1978 by Jon Sims at the height of Anita Bryant's anti-gay crusade, the Band made its debut marching ahead of Supervisor Harvey Milk's convertible in the San Francisco Gay Freedom Day Parade. The Band has been making music to build understanding between gay and non-gay communities for more than a quarter century.

Conducted by Jadine Louie, the Band is one of the most active music organizations in the Bay Area, practicing its commitment to community service with appearances 15-20 times a year, from parades to proms. This concert is the first of this year's Community Concert Series, an award-winning series of free, pops-style concerts begun in 1993. The 2005 series continues with concerts in June and September, and winds up with our holiday extravaganza, the Dance-Along Nutcracker, at Yerba Buena Center for the Arts on December 10 and 11.

Artistic Director/Conductor

Jadine Louie has championed both the healing silliness of the Dance-Along Nutcracker and serious social justice issues in contemporary music with the Band since 1996. A native San Franciscan who began conducting at age 14, she plays French horn and teaches in Bay Area schools. She is a past Honorary Grand Marshall of the SF Pride Celebration, a final judge in the Pride Idol competition, the Bay Guardian's 2003 Best Justification for Music in the Schools, and has been named a co-Artistic Director of the Gay Games 2006 international band concert by the Lesbian/Gay Band Association (LGBA). Conducting and coaching credits include: Oakland Civic Orchestra, All-City Honor Orchestra, SF Recreation Symphony, Symphonic Tornado, Swingfever Big Band, Bay Area Women's Philharmonic, Golden Gate Opera, Women's Community Orchestra, and Prometheus Symphony.
California Bistro featuring regional American cooking influenced by culinary traditions from around the world.

If My Friends Could See Me Now
(Crockett version)

If they could see me now, that little home-town clan,
We're singing and we're playing with the Freedom Band.
I'd like for all the world to see for a fact
That all who come to Crockett want to come back.
I've told my friends back there — and they can hardly wait
To hear my voice ring out from the Carquinez strait.
What a great band, Holy Cow, they'd never believe it
If my friends could see me now.
Godzilla Eats Las Vegas!

+++ PART ONE +++

FADE UP
It is a bright and sunny day as the sequined curtain rises on tinsel town, and the excitement of a new day filled with the possibility of The Big Payoff is practically palpable. The band kicks off the show in high gear and all is well as we suddenly hear:

CUT TO DESERT
A lone shakuhachi flute ushers the arrival of something really VERY bad.

CUT BACK TO BAND
A relaxed rhumba, showgirls blissfully jiggle.

CUT TO MILITARY COMMAND CENTER
Morse code signals the confirmation of approaching doom.

CUT BACK TO BAND
The players finish off their third set and head for the bar; outside we hear:

SLOW ZOOM
Oh no, oh no, oh no, it's:

CLOSE UP
Godzilla! Glorious Godzilla!

VARIOUS QUICK CUTS (stock footage)
Godzilla destroys cars, screaming tourists, etc.

+++ PART TWO +++

FADE UP
A fearless army of Elvises (Elvi) appear in the distance, formation marching through the littered streets.

VARIOUS CLOSE UPS
The Elvi attack, using bombers, missiles, etc.

EXTREME CLOSE UP
One wicked laugh from Godzilla and the Elvi scatter like mice!

QUICK CUT (stock footage)
The Sphinx sits outside the Luxor, looking seductive in a Mae West sort of way.

CLOSE UP
Godzilla takes one look and his eyes pop out of his head.

QUICK CUTS
The Sphinx (Sphinxtress?) seduces the Reptile, who instantly falls in love and begins to:

WIDE SHOT
Tango with her.

SPLIT SCREEN
As they dance, the Elvi slowly regroup and head for the:

QUICK CUT (stock footage)
Pirate ships at Treasure Island

ACTION SEQUENCE (MONTAGE)
The Elvi approach the dancing monster and launch a ferocious volley of cannonballs directly at him.
